

DEATH--KNELL TO BELIEVERS!!

Public Law 102-14, passed March 20, 1991 without the knowledge of the public, has spelled the **death-knell** for all who are calling themselves Believers. Read this potent material.

This booklet is NOT TO BE SOLD. It is published by: The Light of Truth ministry, 900 W. Alabama St., Anadarko, OK 73005. [405] 247-5162. It is provided free of charge as an educational service.

DEATH-KNELL TO BELIEVERS!!!

From the CHRISTIAN CRUSADE FOR TRUTH Intelligence Newsletter July/August 1991 comes this vital information about Public Law 102-14. At the end of the quote I will quote one more source material and then analyze the “Whereas” clauses of the resolution.

“A very interesting Senate and House of Representatives Joint Resolution was signed into law on March 20, 1991. The entire procedure was accomplished with very little notice in the media and this, in itself, should cause us to question the actions of Congress and the President.

“The Resolution was titled, ‘A JOINT RESOLUTION TO DESIGNATE MARCH 26, 1991 AS EDUCATION DAY, U.S.A.’ It was introduced in the House of Representatives by Robert H. Michel (R-IL) and co-sponsored by Richard Gephardt (D-MO). It was then co-sponsored by 224 more congressmen.

“The real effect of this law is yet to be understood but it is strange that it was introduced, passed and signed by the President in a country whose laws ostensibly originate in the Common Law which comes from the Laws, Statutes and Judgments (the Mosaic Laws) of the Holy Bible. As we shall see, the Resolution has nothing whatsoever to do with ‘Education Day.’

THE RESOLUTION

“Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded;

“Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven **Noahide Laws**;

"Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

“Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

“Whereas the justified preoccupation with these crises must not let the

citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

“Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

“Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

“Whereas in tribute to this great spiritual leader, ‘the rebbe,’ this, his ninetieth year will be seen as one of ‘education and giving,’ the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws; and

“Whereas this will be reflected in an International scroll of honor, signed by the President of the United States and other heads of state

“Now, therefore be it RESOLVED BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES OF AMERICA IN CONGRESS ASSEMBLED, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement, is designated as ‘Education Day, U.S.A.’ The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.”

THE SEVEN NOAHIDE LAWS

“The “Seven Noahide Laws” appear to be the purpose of the Resolution and the Public Law 102-14. The Seven Noahide Laws themselves were not included in the Resolution and since they are not the common knowledge of the average citizen, we should learn what they are, particularly now that we have a “law of the land.”

“They are not easy to find. However in some of the older encyclopedias they are mentioned very briefly. They are discussed in some books written by Jewish authors and it is here that we find what may be the underlying reason for the Resolution and Law. The following is a very brief summary of the Seven Noahide Laws:

“(1) Thou shalt not engage in idol worship. (2) Thou shalt not blaspheme Elohim. (3) Thou shalt not shed innocent blood of any human nor fetus nor ailing person who has limited time to live. (4) Thou shalt not engage in bestial, incestuous, adulterous or homosexual relations nor commit the act of rape. (5) Thou shalt not steal. (6) Thou shalt establish laws and courts of law to administer these laws, including the death penalty. (7) Thou shalt not be cruel to animals.

“As we make a cursory examination of the “Seven Noahide Laws” we see nothing objectionable. In fact, we applaud any effort to remove the evil from among us because that is what the Laws, Statutes and Judgments of Yahweh direct us to do. But wait, there is more to this than meets the eye!

“Notice that Congress and the President are giving acclamation to a Talmudic Jewish Rabbi and they lovingly call him “the rebbe.” We must also recognize that the Talmud considers the “Seven Noahide Laws” to be the universal law for all non-Jews and are to be enforceable by the Jews of the world.

“Rabbi Michael Katz, a well known student of the Talmud, states that it is the considered opinion of acclaimed Talmudic scholars that there are actually thirty commandments that are Noadic and apply to all non-Jewish people but that only the “Seven Noahide Laws” are punishable by execution and are enforceable by Jews.

“The national news media has recently printed stories regarding J. David Davis, the ex-Baptist minister in Athens, Tennessee, who has defected to the Noahide movement. It seems strange that the news media would pick up on the Noahide movement out of the probable hundreds of schisms occurring each year.

“In the July-August 1991 issue of The Gap, the newsletter published by the Noahide movement, the lead article revealed that there is pressure being applied for world-wide recognition of the ‘Seven Noahide Laws.’ Ernest Easterly, Professor of International Law at Southern University Law Center said, ‘With further recognition by other nations and international courts, the Seven Noahide Laws should become the cornerstone of a truly civilized international legal order.’

THE IMPLICATIONS

“What are the implications of this? Perhaps nothing, but we don't believe that. We are living in extremely volatile times and we are dealing with the masters of intrigue. We are dealing with those who can use an issue that seems to be ‘for motherhood and against sin’ and use it for their own ulterior or covert motives.

“We know that there has been an incessant attack on Believers throughout the world and particularly the United States. The Ten Commandments have been removed from the school rooms of America. The Ten Commandments are considered by the Talmudic community to be a part of the Torah which they consider to be the sole property of the Jews.

“For example, in the Talmud, ‘A Gentile observing the Sabbath deserves death’ (Sanh. 58b). Resh Lakish (died 278 A.D.) said that ‘This refers to a Gentile who accepted the SEVEN LAWS OF THE NOACHIDE, inasmuch as the Sabbath is a sign between Yahweh and Israel alone.’ We must remember, to the Jew, Israel is synonymous with Jewry.

“Likewise, the Creche, or manger scene, is being forced off of public property and at the same time the Menorah is now being seen in its place.

“Returning to the ‘Seven Noahide Laws’ that are included in Public Law 10214. Notice number two, ‘Thou shalt not blaspheme Yahweh.’ It has already been shown that ‘violation’ of the ‘Seven Noahide Laws’ is punishable by execution. Yahshua was accused of blaspheming Yahweh by the Pharisees and that was one of the charges against Him.

“Edward Gibbon in his renown works The Decline and Fall of the Roman Empire shows the inordinate influence of the Jews in the Roman Empire at the time of Yahshua. Ammon Linder in his book The Jews in Roman Imperial Legislation describes the same thought. One can deny this relationship until the end of time, but the facts are still there and they cannot be refuted.

“It is the Noahide Law number two, and perhaps, in part, number one, that is the reason for Public Law 102-14. They could care less about all the rest of them. Since when do they care about abortion? What do they care about bestiality, incest, adultery, homosexuality or rape. These are all death sentences already according to the Laws, Statutes and Judgments. Theft is punishable by restitution, but the laws of the land don't provide for that.

“It is agreed, they are concerned about animals, particularly the snail darter, the supposed endangered minnow in the proposed Tennessee dam project and the spotted owl in the Pacific Northwest forests. Families are being denied incomes because timber cutting is disallowed in the area of the spotted owl. But these points are an aside.

“What we see is but another example of the dialectics. Who operates the bulk of

the abortion mills? Who owns the majority of the pornographic shops which we know to be one of the root causes of rape, incest and homosexuality? Who owns the movie industry where violence is portrayed as glamorous and normal? Which lawmakers are in the forefront clamoring for freedom of speech and expression when any of these situations are threatened?

“Then, when our Western Believing nations are lowered into the cesspool of moral filth, who comes forward with a solution that will further remove us from the truth? When Yahshua said, ‘If you love me, keep My commandments,’ He wasn't referring to the ‘Seven Noahide Laws.’ He was referring to the Laws, Statutes and Judgments of the Word of Yahweh.

“Where can we look to find our failing? We can look straight at the Believing Assemblies and we will see our demise. Does one believe for a moment that Congressmen Robert H. Michel (R-IL) and Richard Gephardt (D-MO) thought of this magnanimous Resolution all by themselves? The sayanim (those volunteers for Zionism working in the Congressional offices in Washington) did their work well.

“But thanks be to Yahweh. That ancient Messianic faith that wrestled with paganism and heathenism and formed the great Believing nations is returning.

“Yahshua said, ‘Think not that I am come to send peace on earth: I came not to send peace, but a sword. For I am come to set a man at variance against his father, and the daughter her mother, and the daughter-in-law against her mother-in-law. And a man's foes shall be they of his own household.’

(Matt. 10:34-36) The word ‘variance’ means division, to break apart, conflict. There is absolutely no question but that the Western world is ready to explode. The question is, will it be Zionism or will it be Believers? Thanks is given to SMYRNA Newsletter, P.O. Box 541, Fortuna, CA 95540 for bringing this Public law to our attention.”

WHEREAS COMMENT

If you will carefully notice the #1, 2, 3, and 5 “whereas” statements, you will find that the writers of the resolution inferred that this great nation was founded on the Noahide Laws. This is an outright lie, for we were founded with the Kodesh Bible as our guide to moral and ethics. In #2 the bedrock of civilization was founded on the Word of Yahweh, and NOT the Seven Noahide Laws. In #3 it is not without the Noahide Laws, but without the Kodesh Bible Ten Commandments,

the Statutes and Judgments that the edifice of civilization stands in serious peril.

From #5.. “this Nation [must not] lose sight of their responsibility to transmit **these historical ethical values from our distinguished past...**“ Can you see the colossal deception and lies here? This nation was NOT founded on the Seven Noahide Laws but on the Laws of the Kodesh Word of Almighty Yahweh.

The weakening of our society is from the blatant disregard for Yahweh Almighty's good and righteous Laws, Statutes and Judgments, and NOT from the principles of the Seven Noahide Laws. See #4.

And who did our Congress honor? A Rabbi, head of the Lubavitch movement striving to bring about the implementation of the execution of those who would defy these Seven Noahide Laws and obey the Laws of Yahshua Messiah, Elohim of the Kodesh Bible. And did you notice WHO is given power to execute those who keep the seventh day Sabbath? The "Tribe of Judah!"

Yet any who confess to worshipping Yahshua Messiah will be subject to execution as well. They told Yahshua, in His day, that to call our heavenly Father our true Father is blasphemy, if we really mean it. This is the **death--knell for Believers...**the true Assembly and also paganized Christianity.

JUDAH NOT SUBJECT

For further information, we quote from Pastor Udvary's Newsletter..

“The U.S. is considered by many Jews as their stronghold and ‘headquarters’ for eventual world domination. In a recent article published in Wellsprings (Spring 1991, p. 5), the head rabbi of Hasidic Jewry stated:

‘...America has become the focus and fountainhead of Jewish survival. Providence has prepared a new home for Torah and **Yiddishkeit** in this country.. The largest concentration of our best elements are in America. We must lead the smaller Jewish communities in other countries and continents, even in **Eretz Yisrael**, which must lean heavily on American support for its economic and spiritual survival.’

“The ‘Seven Laws of Noah,’ according to Hasidic Jews, should be enforced upon all non- Jews by them:

‘...the entire context of the Talmudic discussion of the Noahide Laws is that of actual enforcement by rabbinic courts.’ From Encyclopedia Judaica, pg. 1190.

“They say that these laws were given to Noah by Yahweh for the orderly government of all people, but Jews were given another set of laws at Mount Sinai much later, so they are not subject to the Noahide laws but rather to the later ones, except, of course, for those Noahide laws that were repeated at Sinai. Ironically, Jews would not pay the same penalty for violating these laws. The Jewish Encyclopedia states:

‘In the case of murder, if the Noachide slay a child in its mother's womb, or kill a person whose life is despaired of (‘terefah’), or if he cause the death of a person by starving him or by putting him before a lion so that he can not escape, or if he slay a man in self-defense, the Noachide is guilty of murder and must pay the death penalty, although under the same circumstances an Israelite [Jew] would not be executed.’ (page 649)

“The Encyclopedia Judaica states:

‘...violation of any one of the seven laws subjects the Noachide to capital punishment by decapitation!’ (page 1192)

“Now that you are aware, doesn't the thought of this new law make you feel good and kind toward these people?”

THINK my friend! Are you ready to be decapitated, have your head cut off by guillotine, or whatever method, for standing up for Yahshua Messiah and/or His Sabbath days?

THINK again! These abominable Talmudic Noahide Laws, totally supplanting the Kodesh Bible of true faith, are also an **abomination that makes desolate**. And when were they passed? March 20, 1991. And when was this law honored? On the birthday of the leader of the Lubavitch movement.

Write for our two-taped sermon called: A STRONG DELUSION! Isa. 66:4 says Yahweh would choose our delusions. In II Thes. 2:11, Yahweh promises to send **strong delusion**. “And for this cause [because they did not love the truth] Yahweh shall send them **strong delusion**, that they should believe a lie...” Find out for yourself what **strong delusion** is on the whole world today, and why Western

paganized Christianity, and the true Assembly of Yahweh has gone on a toboggan slide into Judaism and apostasy.

Judaism has flooded into the sacred name assemblies. This is done by two main avenues of contamination. First, many sacred name people erroneously think that their roots are in Jewish teachings. So with that false idea in mind, they seek out Rabbis and other teachers of the "oral traditions" to follow. Conversely, those who follow the oral traditions and Talmudic ways (including the Mishna) they are seeking those who will listen. This contamination of lies and deception manifests its self several ways that are easily seen by the most casual observer.

1. Emphasis on teaching the Torah (first 5 books of Moses) over the New Testament. The trend here is to get away from the direct teaching of the Messiah and the message of salvation.

2. There is a movement or trend to disregard the teachings of Paul. This second direction away from the New Testament wants to eliminate the Apostle who lifts up Yahshua as the only way to salvation.

3. The third trend is to accept and follow the Jewish (Hillel) calendar. This calendar man made and full of deviations from the true calendar given to Moses. (Send for our free booklets on "The Calendar Yahweh Gave to Moses, Whose Calendar, Yahweh or the Jews, and The Chronology of the Exodus Passover.) If one keeps the Jewish calendar, made up in 350-400 A.D., they will miss/violate all the annual Sabbaths. All the dates for the major feasts and Pentecost are incorrect!

4. The fourth trend we see in the assemblies when some go to the internet for knowledge, instead of the inspired word, is the increasing practice of external clothing and signs of so called faith. This is against the teachings and guidance we have in the New Testament again. We see groups beginning to wear Yarmulkes, tassels, zeitsies and taliefs (prayer shawls). Paul and the Kodesh Spirit make it clear that one is a "Jew" inwardly and not an outer show. Yahshua made definite statements that we are to be changed inside, a master of the heart. We are to be converted inwardly. This is a true change of the mind. Setting our hearts on the things which are above. (Col. 3:1-2) The teachings about wearing outward signs do not support the Masters statement.

5. The real directory of all these points is the fifth trend. The final result and objective of Messianic groups and others influenced by the Rabbi's, is to go back to the law as the main element of salvation. When you see the direction to the Torah which moves away from the emphasis on the New Testament and Messiah (grace

and obedience), one can see the conspiracy that now unfolds. Rejecting Paul, emphasis on the first five books and the final elimination of the New Testament is the usual result in groups who want to follow the oral traditions of the Jews. Has anyone missed the obvious message in the New Testament.

This message was that in this age, the Jews rejected the Messiah, and will be the last now to come into salvation. Paul warned of the concision! Then and now, many of the Jewish persuaders are trying to destroy the true faith once delivered.

Many of us have studied the up and coming New World Order. Have we missed the understanding that the ones who are driving this are of a Jewish persuasion?

Judaism has flooded the Assembly of Yahweh. Will you be observing Passover and Pentecost on the correct dates? Not if you follow the Judaistic teachings and false calendar. Write immediately for our book: CHRONOLOGY OF THE EXODUS PASSOVER.

Also free tapes: HOW TO COUNT PENTECOST, A STRONG DELUSION.

Did you know that Sunday observance did not originate in the New Covenant? It came after the death of Yahshua. What did He confirm with His own blood? Write for a tape: SUNDAY-NOT PART OF THE NEW COVENANT!

WHERE DO YOU STAND?

My friend, where do you stand? Since Yahshua died April 25, 31 C.E., there has been 40 Jubilee periods until Passover, April 29, 1991. That time could be called a time of grace. But that period of time ended! And now we are again in the time of law and accountability. No longer can you rely on your own understanding, or that of organizations. No longer can you get by with keeping the wrong day for the weekly Sabbath. No longer will Yahweh wink at your keeping the wrong dates for His Kodesh days. Now is a time **of serious accountability!** No longer can you turn your head, and pretend you do not see the apostasy rampant throughout the Assembly of Yahweh. No longer can you close your eyes to the fact of the lies of Judaism sweeping through the Assembly.

No longer can you turn your face from the strong, clear statements of Yahshua Messiah concerning Pharisaism and Judaism. No longer can you go on with the false concept that those living in the state of Israeli are from the tribe of Judah. Those of us who are the true and faithful ministers of Yahshua will be in the

foxholes on the front lines, not wavering, and refusing to compromise the truth of Almighty Yahweh. Remember, that those who have not received the love of the **truth** (singular) will be sent **strong delusion** by Yahshua Himself. Read it in II Thes. 2.

Are you ready to give up your life by strangulation or decapitation for keeping the seventh day Sabbath? Are you willing to give up your life for the name of Yahshua Messiah, for that matter? Read, in this booklet, about the death-knell to Believers.

Yahshua said to the Jews, “Did not Moses give you the law, yet none of you keep the law?” John 7:19. He said they did NOT believe Moses, and therefore did not believe Him. John 5:46-47.

Question. Why, after all this witness by the One who IS the Truth, would anyone of any group go to the tribe of Judah to find the truth about when to keep Passover and when to observe Pentecost? Far too many have done just that, thinking the Jews have the truth when Yahshua says NO, they are liars (Rev. 2:9, 3:9), DO NOT DO WHAT THEY DO!!
